Notes from NORTSHOREburbia

Been gone.....back.....And our young Patriots were certainly back as evidenced by the 61st running of the **NORTH SHORE** 4th of July Parade---and this year was no different than the other 60 excursions---our Patriots line up at Water's corner to determine the best method to attack the famed **NORTH SHORE** beach---upon instructions no doubt from General Brian S. and General Carl K. on his faithful steed, Sky, the Patriots and assorted parents were off to free the BEACH...*you can't help but count the number of parents marching along with young Patriots who were once young Patriots themselves marching at a slower gait*---Brenda M. you may have won the award for most---and Ms. Emily, it was great to see you giving it the college try---and off they marched down past Col. Denny D. who reviewed the Patriots as they marched past Valley Dr, ever alert for any redcoats skirting in the bushes---up Wisthoff hill as the formation began to stretch out, *no doubt due to some Patriot parents not being able to keep up the march* ...and sure enough the Beach was clear and the Patriots and parents were able to feast on super cake (it keeps getting tastier) and appropriate grog too----a few poppers were heard, but not deafening. A neighbor commented that it was great to see so many young families marching to a most important holiday ...and it looks as though Bob and Elaine L. will be trekking north for the wedding of one of **NORTH SHORE'S** finest sons, Jared ...a neighbor couldn't help but comment on the sign at Planter's Paradise that said "Happy

Birthday Twinkie—1 year old”, *but could he read the sign?*...and now we will be thinking of the **NORTH SHORE’S** annual Crab feast coming up Sept 6—this year to celebrate the 60th running of the event there will be something special associated with the purchase of a ticket, *you might call it a Carl Kuhne production*, as it will involve the “Koon Dog” , no doubt an opportunity not to be missed...by the way in the latest Waterman’s Gazette it was noted that the first round of crab harvesting recorded a record count---maybe its time to get those bull lips out and put those crab pots off your pier...and now we hear that Julian Bartholomee earned five merit badges while away at camp on the Eastern Shore, *world traveler* and he’s not done. See you at the crab feast!

And when we greet the smiling sunlight
On the fourth of each July,
We will ne’er forget the bellman
Who, betwixt the earth and sky,
Rung out, loudly. “Independence”;
Which, please God, shall never die!
