## **CRAB FEAST**

Well, another fantastic crab feast! Even though we had to change the date due to an impending hurricane, we still had a great turnout and the weather was wonderful. About 100 North Shore members and their families turned out for the event...but I think there were two special thoughts that I want to share. Even though William and Dorothy Sauer have lived in North Shore for many, many years, this is the first event they have ever been able to attend due to their schedules...I hope they had a great time and hopefully we will see more of them in the future. The second thought is this....there were several teens who came to the crab feast without their parents...I think this says a lot about our community. These young men felt that they were welcome even though their parents could not attend for various reasons...I hope everyone feels as welcome to attend our events!

Special thanks go out to the following: Fran, Carl, Bonnie H. and Jeff S. for cleaning up the pavilion and preparing it for the crab feast; to Ty H. for repairing the blue tarp (damaged due to vandalism) so that we had plenty of shade; to Marty and Denise for providing several "tents" to have additional shade; and to Denny and Carl who got a great deal on the fantastic crabs; and to EVERYONE that attended....THANKS, you made the event wonderful!

## **HALLOWEEN**

**We will kick off Halloween at 5:30 at the Beach. We will meet at the beach and take the children for a hayride around the community and then they are off to trick or treat! No need to RSVP, just be at the beach by 5:15-5:30.**

**Please contact me if you are interested in helping with this event. Chesapeake High School's Homecoming is also on the 31st and I am involved with that event...so if you can help, I would appreciate it! Lisa (410) 255-3439.**

## From The Dirt Zone...

The Garden club will be implementing a membership fee starting in January of 2009. This fee will be for the year and will help cover the cost of speakers and special events. Many times, members have put in their own personal money to pay for food, beer, decorations etc. for the social events we put on. This fee will be \$25.

We could really use some help cleaning up in our community. We will have two clean up days coming up soon. We simply need help raking, weeding and planting. Please meet us on October 18<sup>th</sup> and November 22<sup>nd</sup> at 9:00 a.m. at the playground and we will send helpers to one of our three gardens: the main sign on Mountain Road, the sign at North Shore, or the playground. High school students can earn service learning hours for helping us out.

This winter Open House will be held on Friday December 5<sup>th</sup>. As in the past, the garden club members go to the home of one of our residents and decorate their home for the open house. One family/home will be open for appetizers and the other for dessert. Please contact Kristin Krycia if you are interested in hosting, and which time you prefer.

The theme for our corner decorating is going to be "Christmas in the Woods". This year, please choose a corner that you would like to decorate and use your creativity to beautify an area in the neighborhood. We look forward to seeing your creation! Please call Kristin to "reserve" your corner.

Save the date! The North Shore dance is in the planning. We are looking at the Maryland Yacht Club for February 14<sup>th</sup>!

Please join us in the garden club! We have a lot of fun. We learn from our guest speakers and it's wonderful to get to know your neighbors.

## Neighborly Notes

- Thank you to Ted & Jackie Tepper for delivering the Barnacle.
