**Roads & Zoning:** Applications from Schells, Leighs, & Jenkins to remove trees. All have or are in the process of securing permits and have submitted the appropriate documentation. Motion to approve tree removal, seconded. All in favor, so it carried. Resident noted that North Shore Road between Edgewater and Trails End used to have a center line. This resident will contact the county about having the line painted.

**Membership:** No new members. The membership list published in the November Barnacle was not the most current and did not show all members. The most current membership list is published in this Barnacle.

**Park:** An Anne Arundel County Park Ranger has offered to stop by North Shore and evaluate our playground and make comments/recommendations. Ranger Matt Grey, who is an authorized playground inspector, was very informative and cooperative when we recently met him at Ft. Smallwood. The playground there has the latest equipment since the county took over. Ranger Grey could give us some valuable direction in our future planning. Bud will contact him soon.

**Entertainment:** The Halloween Hayride for the children went very well. There were 25 children and some parents. Thanks again to Brian Siwinski for providing truck, trailer and driving. Kids had a great time!

Many thanks to Brenda Pierson & Keeley Kirk for the scary haunted trail at the Pearson's home. This was a very elaborate and fun experience for kids and adults!

**Beach:** This month will see the termination of grass cutting and porta-potty service. **Nettle Net party and beach clean up** went very well thanks to a multitude of people turning out to help. Thanks to all and I am sorry if I missed you there were so many people that I easily could have missed someone. Thanks to Brian Siwinski, Denny Debus, Charlie Parsons, Sean Harris, Jeff Schell, Rick Watts, Dean Watts, Tyler Larbig, Rae Regula, and Merchant Marine Denise Friend. Thanks to all for your help pulling the nets and cleaning up at the beach.

Thanks to Joan Scruggs for helping fold and stack the nets before the rain came.

Beach Expenses:

Invoice for final grass cutting of the year

Invoices for Handy Johns

Beach Rentals: Nothing on the books

New Business: Starting process for next year's services.

If you are interested in bidding on the grass cutting services for 2009 call or e-mail Rick Scruggs before the January meeting 1-6-08.

New Beach Sign: New beach sign has been installed and looks great. Thanks to John Stopowski for the installation of the sign. The fee for the sign did not include the installation; he donated that service to the community. **Thanks John.**

Community members should refrain from the practice of posting signs on the community signs, although we appreciate the gesture, the duct tape on the sign could remove the paint.

**Garden Club:** The Garden Club presented a design for an updated more structurally substantial sign at the entrance to North Shore. Suggestion was made to alter the design

to incorporate a surface for community announcements so have readable, uniform, aesthetically pleasing and neat appearance when event information is presented. Some design alternatives were offered.

Shelvy will take this back to the Garden Club. She will attend December 2008 meeting with updated proposal and costs.

**Welcome Lady:** No Report

**Old Business:** None

**New Business:** Directors & Officers Insurance renewal is due 12/08. The current provider offered a 3 year contract with no premium increase and payable yearly. Motion made to renew D&O insurance for 3 years, seconded. All in favor, so it carried.

Currently the Barnacle is published monthly in paper format and delivered by volunteers. The monthly Barnacle is also available on the North Shore web site where it can be read and residents can print their own hard copy if desired. To save cost, paper, and need for delivery, the suggestion was made to provide the Barnacle in paper format only where it is a hardship for the resident to access the North Shore web site. Requesting residents to contact the Board if it would be a hardship for them obtaining the Barnacle from the North Shore web site.

Rick Scruggs and Rick Watts are the nominating committee for the 2009 board. Bud Jenkins, Rae Regula, Rich Fenton and Fran Kuhne will go off the board in 2/09. This opens up the remaining 2 years for the pier chairmanship and 3 full term openings. Contact Rick Scruggs or Rick Watts if you are interested in serving on the board.

Motion made at 8:45PM to adjourn the meeting, seconded. All agreed.

Next meeting, December 2 at the home of Denise Larbig.

*Respectfully submitted by Fran Kuhne on behalf of Rae Regula - Secretary*

### *Note from the Garden Club*

A wonderful start to the holiday season was shared by many in the community on Friday night, December 5!! The Garden Club’s Open House was just terrific and enjoyed by the largest crowd ever. Wayne and Amy Bartholomee and Alan and Bonnie Hoyas provided the locations with their exceptionally beautiful homes and their gracious hospitality and the Garden Club offered the food and drinks and our friends and neighbors brought their best holiday spirit. Even the weather cooperated, being chilly but clear. Everyone who came brought a gift for children in need and our community is most generous and caring of those less fortunate. We had several huge bags of toys to donate. It brought the spirit of what Christmas is all about and we hope started a new tradition for our community.

A special thanks go out to Dee Feehley, Lani Cochran, Earlyn Bartholomee, Robyn Sayler, Rae Ragula, Jennifer Harris, Ella Harris, Sarah Ann Parsons and Amy Bartholomee for all their help decorating the Bartholomee’s home and to Bonnie Hoyas for decorating her home so beautifully. Also, special thanks to the Garden Club members who provided food. We really needed it with all the folks who came.

Christmas is the time to remember our family, friends and neighbors with joy and love and the open house in North Shore did just that. The Garden Club again thanks Wayne and Amy, and Alan and Bonnie for being so generous with their incredibly gorgeous homes and wishes everyone a beautiful and wonderful holiday season.

*The North Shore Garden Club*

*P.S. Don’t forget to put our annual dance on your calendar for Valentine’s Day, 2009!!!*

## **SANTA IS COMING!!!!**

**Santa Claus will be visiting North Shore on  
Sunday, December 21st.**

**The evening will begin with our  
Annual Christmas Caroling at the beach at 6pm.  
After the caroling, we will make a short walk up the street to  
432 Edgewater Rd.  
where Santa Claus will arrive and greet the children.**

**If you are interested in having Santa give a gift to your child, please deliver a  
wrapped (and tagged) gift to the  
Schell residence at 424 Park Creek Court  
no later than 3 pm on the 21st.**

**Hope to see you all there!**

## **THE BARNACLE ONLINE**

The board is working toward publishing the Barnacle ONLINE. This would save money (\$1600 year), paper (trees) and man hours. Also, having an online publication, the delivery to you is much faster. We envision an electronic notice via email being generated each month with a link to the latest Barnacle. You would be able to print the Barnacle. For those residents who cannot receive email or access the internet, we will set up a method to deliver a hard copy of the Barnacle. To move in this direction we need your email address where you would want the Barnacle sent. Please email to [Fekuhne@aol.com](mailto:Fekuhne@aol.com) your email address and your name. If you cannot receive an electronic form of the Barnacle please let me know by calling Fran Kuhne at 410-255-0609.

The Barnacle will continue to be published on paper and delivered by volunteers until the new system is in place and all residents have been accounted for as to their method of delivery.

*Fran Kuhne - President*
