Motion to approve tree removal, seconded. All in favor, so it carried. Resident noted that North Shore Road between Edgewater and Trails End used to have a center line. This resident will contact the county about having the line painted.

Currently the Barnacle is published monthly in paper format and delivered by volunteers. The monthly Barnacle is also available on the North Shore web site where it can be read and residents can print their own hard copy if desired. To save cost, paper, and need for delivery, the suggestion was made to provide the Barnacle in paper format only where it is a hardship for the resident to access the North Shore web site. Requesting residents to contact the Board if it would be a hardship for them obtaining the Barnacle from the North Shore web site.

Rick Scruggs and Rick Watts are the nominating committee for the 2009 board. Bud Jenkins, Rae Regula, Rich Fenton and Fran Kuhne will go off the board in 2/09. This opens up the remaining 2 years for the pier chairmanship and 3 full term openings. Contact Rick Scruggs or Rick Watts if you are interested in serving on the board.

Motion made at 8:45PM to adjourn the meeting, seconded. All agreed.

Next meeting, December 2 at the home of Denise Larbig.

## **THE BARNACLE ONLINE**

The board is working toward publishing the Barnacle ONLINE. This would save money (\$1600 year), paper (trees) and man hours. Also, having an online publication, the delivery to you is much faster. We envision an electronic notice via email being generated each month with a link to the latest Barnacle. You would be able to print the Barnacle. For those residents who cannot receive email or access the internet, we will set up a method to deliver a hard copy of the Barnacle. To move in this direction we need your email address where you would want the Barnacle sent. Please email to [Fekuhne@aol.com](mailto:Fekuhne@aol.com) your email address and your name. If you cannot receive an electronic form of the Barnacle please let me know by calling Fran Kuhne at 410-255-0609.

The Barnacle will continue to be published on paper and delivered by volunteers until the new system is in place and all residents have been accounted for as to their method of delivery.

1/2 cup all-purpose flour  
2 Tbsp. canola oil  
1 medium-size red onion, thinly sliced  
6 garlic cloves, minced  
2 large baking potatoes, peeled and diced  
1 (16-oz.) package baby carrots  
2 (12-oz.) bottles lager beer\*  
2 Tbsp. balsamic vinegar

2. Cook roast in hot oil in a Dutch oven over medium-high heat 1 to 2 minutes on each side or until lightly browned.

3. Place roast in a 6-qt. slow cooker. Stuff cavity with sliced red onion and minced garlic; top roast with potatoes and baby carrots. Pour beer, balsamic vinegar, and Worcestershire sauce into slow cooker. Sprinkle with parsley, bouillon, and ground pepper. Add bay leaves to liquid in slow cooker.

4. Cover and cook on LOW 7 to 8 hours or until fork-tender. Shred roast using two forks. Season with salt to taste. Serve in Toasted Bread Bowls, if desired.
