The Barnacle is a monthly publication pertaining to the community of North Shore. Please feel free to send birth announcements, death notices, recipes, items for sale, workers for hire, thank you notes to neighbors for being especially neighborly, North Shore history, and upcoming events. If you have any submissions for the Barnacle, please e-mail them to me at abdart65@comcast.net. The deadline for submissions is always the Sunday following the Board Meeting. To advertise a business in *The Barnacle*, please send your camera-ready artwork or a business card to me. The cost is \$50 per year, checks made payable to the North Shore Association. We also have rates available for one-time-only ads. Please call me for details, 410-255-0264.--Amy Bartholomee, Editor

CASH BALANCES @ 1/31/09:					
GENERAL FUND/CHECKING		\$10,385			
CAPITAL FUND/SAVINGS		\$29,363			
		\$39,748			

Membership: Denise reported dues were collected from 147 members totaling \$12,060.00. Which 64% paid the full \$100 amount, and 36% paid the reduced rate of \$50 for seniors.

Park: Bud reported that the Park is generally in good shape. There are three areas however, that need attention. A cover of approved mulch in the playground, some

playground equipment to be replaced or added, and North Shore's chronic problem of drainage at the park.

A County Playground Inspector, Ranger Matt Grey and I recently looked at the Park together for an unofficial evaluation at no charge. Matt is a Ranger at Fort Smallwood and also does professional playground inspections. Although he volunteered his time for us in mid-January he was impressed at some of our sturdy equipment. Namely the sliding boards, merry-go-round and others. He did suggest replacing the hobby horse and possibly obtaining a tire swing to utilize the available spot next to the gym rings. He agreed that the jungle gym was safe, yet if removed should be done professionally. He also agreed that the number one priority should be getting a thick layer of approved mulch cover for the playground area. Their costs might be included in next year's budget. It's been an interesting and enjoyable three years on the Board. I look forward to assisting the next chairperson.

Pier: Rich recapped that the removal of the trees and trimming project has been completed. The water system is installed and is in working order and the ice eaters are repaired and installed for the winter. He also reported that the ramp keys have been distributed and that there was no cost for keys this year because they can not be copied.

Entertainment: Lisa reported that there were seven events this past year: Easter Egg Hunt, Family Day, 4th of July, Crab Feast, Halloween, Hay Ride and Christmas Caroling. The schedule for the 2009 Year will be in the next Barnacle. She also would like any suggestions or thoughts on future events and for ways to increase attendance and participation.

Beach: In recapping for the year: one major capital expense for a replacement of the beach sign, the existing sign had aged and was damaged by vandalism. A new holiday/Christmas tree was installed and donated by the family of the late Tim Dougan. Three beach work parties were conducted this year, spring, summer and fall. Installed and removed the nettle net and coordinated a beach clean-up with the Garden Club for the Luau. Vandalism was a problem at the beach this past summer and into the fall. It is suspected that youth were responsible. Residents are encouraged to report suspicious activities to the AA County Police. Expected expenses for 2009: porta-potties and grass cutting. Improvements: as the budget allows, replacement of beams at the open end of the beach pavilion and work to eliminate low spots. There is one beach rental for 2009 to date.

Roads & Zoning: Rick reported that there were requests for: twelve dead tree removals, one shed, three decks/porches, one garage, one complaint, and one denial for a fence for the 2008 year. He also stated that for neighborhood disturbances to call the police or county. The North Shore Committee's job is to enforce the Covenants

Garden Club:

NORTH SHORE GARDEN CLUB REPORT FOR 2008

First of all, we would like to especially thank Kristen Krycia for all the work she has done to lead and grow our North Shore Garden Club. It is really appreciated.

The North Shore Garden Club had an active year. The spring brought the annual dance sponsored by the Garden Club at the Maryland Yacht Club. It was a lot of fun although not as well attended as in past years. The club feels that the date, much later than in the past, was the reason. Also, a decision was made at the beginning of this year to hold the dance every other year in February. Therefore, this year there will be no dance. A few reasons entered into this decision including the state of the economy right now and also, the fact that the Maryland Yacht Club has just undergone a change in management beginning January 1, 2009 and was closed the entire month of January. This made it difficult to plan. We also feel it will be more of a novelty if we do it every other year. The club now has scheduled the dance for Valentine's Day weekend, 2010, and we have already arranged for a DJ.

Other events held by the Garden Club included a very successful Luau in the summer, which has become a really fun event for the community. The annual Christmas Open House was also extremely successful this year with a large turn out to see the two beautiful houses on tour. Our thanks go to Wayne and Amy Bartholomee and Bonnie and Alan Hoyas for opening their gorgeous homes to all of us. If you missed it, you really missed a treat. We also collected many bags of new toys for Toys for Tots that night. Our community was so very generous and we hope to make this an annual addition to our holiday celebration.

Once a month meetings are becoming more diverse as we hope to expand our focus to attract more community participation. We have had programs this year which include flower arranging and native Maryland plants (thanks to Jim Logan for this presentation) and are having a jewelry exchange (bring jewelry you no longer wear and exchange with others) on Wednesday night at 7 pm at the home of Charlene Wroten. Other ideas include simple crafts and wreath making. We also hope to include some service projects to the community such as helping families when they may need it because of illness or other reasons in which they could use assistance such as food or transportation. We have also changed our meeting night to Wednesday as this seems to be a better night for everyone.

In keeping with our tradition of fostering the beauty of the neighborhood, we continued to maintain our gardens and improve the landscaping of the community. We want to particularly thank Lani Cochran, Brenda DeRemer, Robin Saylor, Rae Regula and Sarah Jenkins for all the work they have done in taking care of the gardens. We are investigating a new sign for the entrance as, although the sign seems fine as you drive by, it is in need of extensive repair and we hope to replace it. Thanks go to Shelvy Snead for spearheading this effort.

As mentioned, we encourage everyone to consider joining us and helping us revive and restore the Garden Club to a larger membership. We are open to all ideas and suggestions that would make it appealing to everyone. It is a fun group and does give us a sense of accomplishment as we work to improve our community and ourselves.

Welcome: Maggi Gleason and Eric Heinonen moved into 362 Dutch Ship Ct. (the old Gahs house) in July 2007. Maggi works for a federal contractor as a manger on a Medicare contract. Eric is a builder and home remodeler. Maggi's extended family is in New England and Eric has family in the DC metro area, Kentucky and Oregon.

Around that same time Bernadine Gerbrick moved into 379 Dutch Ship Ct.

Stewart and Joy Cormier are renting 457 Edgewater (the Zeiman place) for 3 years. They moved in about 6 months ago. They are from Canada and have 4 children, two of whom are finishing school in Canada. Their youngest son lives with them in North Shore. Stewart is working at Fort Meade.

Greater Pasadena Council: North Shore is currently seeking a representative to represent North Shore at these meetings. Anyone interested, please give Rick Scruggs a call.

Old Business: The Board is still trying to put together a master list to put the Barnacle on line. Please email Fran with your email address or call if you do not have an email address and wish to have the Barnacle delivered.

New Business: The Nominating Committee for 2009 is as follows: Brenda DeRemer, Lois Warner, Brian Ferguson and Rae Regula. No nominations from the floor. Motion to approve the nominees, seconded. All in Favor.

Resident's concerns/remarks: It was brought up that two channel markers were torn loose from the ice. They are the responsibility of the Park Creek residents.

Suggestions were made that an off duty police officer be hired to patrol North Shore if the vandalism problem occurs again and we cannot get county police to patrol.

A design for a New "Welcome to North Shore on the Magothy" sign has been presented by Shelvy Snead of the Garden Club. It was suggested that any one with design suggestions contact Shelvy Snead. Any replacement of the current sign depends on getting county permits and the cost to the community.

It was brought to the attention that the County is offering financial support in the installation of "Dog Doo Bag" dispensers. This is one of the steps the County is taking to help with the water clean-up in Maryland.

The next board meeting will be held at the home of Fran Kuhne, on March 3rd at 6:30 PM. This is the annual pot luck dinner with new, leaving, and staying board members and

their significant others.

Motion made to adjourn at 8:00 PM, seconded and all were in favor.

Respectfully submitted by Rae Regula Secretary

Motion made to adjourn at 9:00PM, seconded and all were in favor.

Respectfully submitted, Brenda DeRemer, Secretary

**2009 MARYLAND GENERAL ASSEMBLY
PROPOSED LEGISLATION
STATE DELEGATE NIC KIPKE**

Photo Identification for Voting (HB512)

This bill will require voters in Anne Arundel County to show a valid form of photo identification to be eligible to vote.

Cyber Harassment – Creation of Criminal Penalty (HB509)

This bill will protect internet users, especially children from predators online. Currently, law enforcement does not have the tools required to investigate many offenses that often end in tragedy. The internet has become a mainstay of many people, and as a result it is often used by criminals and online predators.

Commission on Autism (HB503)

This bill will create a format for public, private, and non-profit organizations that care for individuals with Autism, to better coordinate and improve our statewide efforts. The number of individuals with autism is on the rise; in fact the numbers are dramatic. The CDC estimates that 1 in 150 children are born today with an Autism Spectrum Disorder.

Neighborhood Notes

- Thank you to Pat Worsham for delivering the Barnacle
- Many thanks to our neighbors, Stewart Cormier & Jack Wisthoff, for their help during a recent water pipe mishap in our house...*Bob & Sadie Lane*
- **Please watch your speed and take responsibility for your actions.** Somebody hit a cat in the neighborhood and didn't bother to stop. It was a large orange cat with white paws and white all the way around its mouth. Other neighbors saw the dead animal and took the time to bury it.
- **Golf carts remain an issue.** One neighbor was cut off by a young person in a golf cart. The driver of the golf cart remained completely unaware that there was a car on the road. Please be safe and use caution when operating a golf cart.
- In light of the rash of crimes in the neighborhood, if you see anything suspicious, the police have recommended to record the date and time along with any license plates you observe.
- **GOLF:** Persons interested in a regular golf league, at a local course most likely on Thursday evenings this summer, contact Rick Scruggs.
- **VOLLEYBALL:** Persons Interested in Volleyball at the beach this summer, most likely on Tuesday evenings this summer, contact Rick Scruggs.
- **Robotics Team in the News**
Matt Fontaine and James Dougan from Chesapeake HS and Josh Prucnal (Spaulding HS) are on the award-winning "C Company" high school robotics team. At the recent competition in D.C., the second year team took 5th place out of 65 teams from 12 states, DC, and Puerto Rico. Additionally they won an award for best team Business Plan.

The team will be competing at US Naval Academy on March 20-21 (free, open to public) and in Atlanta in April.

Way to go! For more information, call Kathy Dougan 410-255-2040.

- **Welcome Committee Chairperson needed contact Rick Scruggs if you are interested.**

NORTH SHORE GALLEY FROM THE KITCHEN OF NANCY ANELLO

Café Con Leche Custard Cups

MAKES 8 (½-CUP) SERVINGS; **PREP:** 10 MIN.,

COOK: 12 MIN., **COOL:** 30 MIN.

⅓ cup all-purpose flour

⅛ tsp. salt

2½ cups 2% reduced-fat milk

1 (14-oz.) can fat-free sweetened condensed milk

2 egg yolks

2 Tbsp. instant coffee granules

2 tsp. vanilla extract

¾ cup thawed reduced-fat whipped topping

Garnishes: chopped and whole chocolate-covered espresso beans, 100-calorie shortbread cookies

1. Combine flour and salt in a 2-qt. heavy nonaluminum saucepan. Whisk in reduced-fat milk and next 3 ingredients, whisking until smooth. Cook over medium heat, whisking constantly, 10 to 12 min-

utes or until thickened. Remove from heat; stir in vanilla.

2. Fill a large bowl with ice; place pan in ice, and whisk custard occasionally until completely cool (about 30 minutes).

3. Spoon ½ cup custard into each of 8 (5-oz.) cups or glasses. Top each with 1 to 2 Tbsp. whipped topping, filling completely. Scrape top with a knife to level whipped topping. Garnish, if desired.

Note: To make ahead, pour cooled custard into a gallon-size zip-top plastic bag, gently pressing out excess air (to prevent a film from forming). Seal bag, and chill up to 24 hours. To serve, snip off 1 corner of bag, and pipe custard into serving cups.

Note: For testing purposes only, we used Nabisco 100 Calorie Packs Lorna Doone Shortbread Cookie Crisps. ●
