Membership: Phil Gerber reported that there are 131 paid households so far. We are still waiting on a several memberships from neighbors previously in good standing.

Pier: Rae Regula reported for Brian Ferguson that a neighbor notified him of a tree that is leaning over the boats at the marina, and asked that the tree be removed. Brian and Marty will look into this. Phil Gerber asked about making the shallow area near the ramp a jet-ski type slip with a floating pier. The board concluded that this is a topic for the Pier Committee’s next meeting.

Park: Rae Regula reported that the Park is in pretty good shape, although the mulch drifts from the play area to nearby drainage grates in a big rain. She also finds that the park area needs extensive weeding. Rae will keep up with weekly clean-up but would like to organize a work party for this fall. Rae would love suggestions for help on keeping the mulch from blocking the drains (Roberta recommended asking the Bay Wise gardeners, perhaps for plant suggestions that would block the mulch before it reaches the drains.) Rae asks that all dog walkers take their dog-waste bags home with them and dispose of them properly or put the waste-bags in the trash can at the park, not in the port-o-potty or elsewhere on the grounds. The board would like to thank Denny Debus and Carl Kuhne for all they have done this season, from hauling the heavy jungle gym debris to monitoring the boat ramp on Magothy River Day. Such great help from two devoted neighbors. Thank you.

Roads and Zoning: Jennifer Harris had nothing to report. Bonnie Howatt recommended that the State Highway Administration be called about the leaning tree at Mountain Road west of North Shore Road. Rae asked that they also address the curb at eastbound Mountain Road at North Shore Road.

Beach: Marty Gavin reported that he replaced the cover for the beach grill. He is hoping to get the nettle net in by the Luau. The dumpsters will be at the North Shore Beach from July 27th – July 29th at noon.

Garden Club: Sarah Ann Parsons reported that the June meeting went really well. It was well attended, and the speakers for Bay Wise Master Gardeners were not only informative but also entertaining. They had lots of information. Please go to the North Shore web site (www.northshoreaa.com) for a link to the literature that they handed out, including Good Bugs and Bad Bugs. The next NS Garden club meeting (on Tuesday July 19th at the home of Robin

Gearhart-Sayler) will be a planning meeting for the community Luau scheduled for 6 PM Friday July 29th with a rain date of Saturday July 30th. Note that the Luau is a community-wide free event and the Garden Club has contracted a DJ (Ben Wisthoff) for the evening. Please come, bring a favorite dish and tropical beverage to share!

Entertainment: Jennifer King reported that the 4th of July parade went very well. There were lots of folks and yummy cupcakes. Please forward photos to the web site or Amy Bartholomee at the Barnacle! Thank you Dave and Connie Capel for donating money for goodie bags. The Crab Feast is next (after the Luau) on August 27th. Please remember to get your tickets early so we have an accurate head count for crab orders. We will have a crab soup/dish contest again this year. Jennifer Harris is the reigning champion from last year and has a silver mallet to prove it! Details for the crab feast will be on a flier delivered to each North Shore home later this month.

Welcome: Report is pending, with more information in the next issue.

Greater Pasadena Council: No report.

Barnacle: The Board has received positive feedback from the community for having a hard copy of the Barnacle available once again.

North Shore Website: Roberta Watts reported that the North Shore web site now has a link to the North Shore minutes for the community to review in a timely manner before the following North Shore Board meeting. Thank you Jon Bailey for keeping the web site up to date.

OLD BUSINESS: Lois Warner encourages all neighbors in North Shore to call and talk with law enforcement and reporters about their concern with the upcoming Bumper Bash on Dobbin Island. The Sylvan View community has expressed their concerns. If you have a trespasser, call the police directly. Do not confront the individual and do not bother a board member. This is a police matter.

After much discussion about neighbors not in compliance with the community covenants, the North Shore Board concludes that its duty is to enforce the covenants on neighbors that remain delinquent after notification.

NEW BUSINESS: There has been a report of trespassing in an unlocked car in the neighborhood on Saturday June 25th. Please be advised that an unlocked car does invite petty theft and remember to report such thefts to the police department.

The next meeting is scheduled for Tuesday August 2nd at the home of Sarah Ann Parsons at 7 PM. Lois Warner motioned to adjourn the meeting at 9:20 PM. Rae Regula approved and Jennifer Harris seconded. All in favor, motion carried.

Respectfully submitted by Roberta Watts, Secretary

MEMBERSHIP DUES

A very generous thank you is extended to all who have paid their North Shore Association dues this year. As a Board, we just wanted to let you know how much we appreciate it and why it is important.

We all value our homes as, in most cases, they are our biggest investment. The community in which we live adds to their value and the membership dues you pay to our association help to maintain and support your community. They are used to maintain our community assets—the beach, the pier and marina, the park and the community gardens, and they are vital to the environment of North Shore. We would not be able to cut the grass, clean up the park, provide social events, take care of the pavilion and beach, and provide upkeep for the playground without your support. In addition, we, as a volunteer board, would not be able to address community concerns if we had no paid association behind us.

Advantages to you as members include being able to use these facilities for your enjoyment and continuing to maintain your property value so you can be proud of our neighborhood. You have the access to the beach, the marina and the park that those folks who haven't joined the association do not have the privilege of using. So many of us are unaware of this fact but the logic is obvious in that we must continue to maintain these community amenities and those who contribute through their dues are the ones who should be able to use these facilities.

Again, we want to thank all those who help keep North Shore a wonderful place to live by joining the North Shore Association. We, as a Board, promise to continue to work diligently to maintain an environment that will enhance and sustain the friendly atmosphere and community spirit we love and that will continue to maintain our property values.

- Thank you to Ted & Jackie Tepper for delivering the Barnacle.

Notes from NORTSHOREBURBIA

You just can't look at our young **NORTH SHORE** patriots who lined up for the 67th annual march from Waters corner to the beach without realizing this is the true celebration of the 4th of July. General Waters was there, as usual, to review these young troops before they began the long march to the beach to insure the British were no longer in attendance and it was free to celebrate. The ambulance let blare and the fire truck with a red glare started the movement and many a patriot's mother was there to ensure that nothing would inhibit the success of both sons and daughters of achieving this victory. Pamplona has the bulls, however, coordinating this assault is no simple feat.... Lady Shelvy was counting noses as they swept her corner and there was Col Kral guarding the southern flank of Edgewater Rd. Up

Wisthoff's hill they trudged and beside me was Lady Kate W, who remembers how she marched but now can only watch as her children pull from deep within to make the grade. And there at the summit was the glorious view of a vacant beach, no doubt most recently evacuated by the Brits as they heard the roar of **NORTH SHORE'S** Patriots. With plenty of grog and cake a needed rest ensued. During the march it was noted the flag being carried by Bob D was pre WWII and was on his grandfathers boat. *I wonder how far it really goes back!!* Bob D and family led the water review at the

beach by carefully and slowly wading directly in the water until they couldn't see their toes---success as there was an improvement over last year...Perhaps the DNR could save \$ by using the same procedure...*And it was hot!!!!*...and the college congrats continue to go out as Monica F said she was heading to PA for advanced schooling...and the Family Day was a success---a father was later heard on his cell phone speaking to his daughter about the event and he said," Yes it was a lot of the usuals" and he began reciting the last names of the various families attending...*You can't help but think that it is not only in the bar Cheers.... "where everybody knows your name"*---and that's a good thing...And what fireworks we had this year and not only on the Island...Park Creek needed to have their version---and even a few revelers thought that **NORTH SHORE** beach needed to be a participant, *although a neighbor noted an AA county police car was dispatched to investigate, but alas , too late..* now that the Big Vanilla is in full swing a neighbor was heard to comment, *"I feel like my body has gotten totally out of shape, so I got my doctor's permission to join a fitness club and start exercising. I decided to take an aerobics class for seniors. I bent, twisted, gyrated, jumped up and down and perspired for an hour. But, by the time I got my leotards on, the class was over."*...Well, Carl K we know you're not wearing leotards but its working---keep walking...perhaps this is the proper exercise with the upcoming **NORTH SHORE** Garden Club Luau fast approaching.
