

THE BARNACLE

Hailing All Sailors

by Shep Drain

This year for the MRSA Wednesday Night Series we will have a start (the last in the sequence) for cruising type keelboats. This will be an organized sail around the buoys in the Magothy for the fun of it. It may give you the chance to skip out of work early on Wednesday and enjoy the boat that has been sitting at the dock waiting for an excuse to go out. See the famous Magothy sunsets that the racers have been keeping to themselves.

Community Calendar

Tuesday, April 5th
Board Meeting, 7pm
home of Tracy & Adam Poyneer

Saturday, April 16th
Earth Day Clean-Up
9:30-2:30
Community Beach

Tuesday, May 17th
Garden Club, 7pm
home of Cris Imle

Awards will be issued on the basis of events sailed in a series and not on finish order. Boats participating in the Sunset Sail will not be required to have PHRF Certificates and will be Jib and Main only. They are expected to have the appropriate safety gear for their vessel and adhere to basic rules of the road along with being mindful of the Racing Fleet which are competing.

Sailors who want to give this a try do not have to sign up for the entire season and can sign up for individual series 1-5. This is intended to be a low key event and suitable for shorthanded crews and novice sailors along with experienced sailors wanting to use the boat without the pressure of getting the gun.

This is open to members of MRSA, PSA, YCCSC and GIYS. If you are not a member of one of these local clubs, the Magothy River Sailing Association is accepting new members with a nominal membership fee.

For more information please contact the Race Committee (race_comittee@magothysailing.com) or check the website.

North Shore Entertainment News

North Shore's 2016 **Neighborhood Earth Day Clean-up** is right around the corner -- **Saturday, April 16th**. We are seeking volunteers to help clean-up our great community by supporting this event. We need the following items on Clean-up Day to make our day successful:

Shovels, pitch forks, large lawn bags, gloves, wheelbarrows, lawn carts, rakes, leaf blowers and YOU!

For high school students seeking opportunities to volunteer, this is a GREAT way to receive up to 4 hours towards your community service credits by participating.

Saturday, April 16th (Rain Date: Sunday, April 17th)

Sign-in @ The Beach Pavilion
9:30 a.m. – 2:00 p.m.

Coffee, juice & bagels will be served in the morning. For volunteers that continue to work throughout the day, Subway subs, hamburgers, chicken, beer and soft drinks will be offered at the conclusion of clean-up. Flyers providing more detail will be disbursed shortly. Feel free to contact Tracy Poyneer, Entertainment Chair, at 443.716.5387 or by emailing tracy.poyneer@copt.com. We look forward to seeing you and your family on the 16th!

A Note from the President

Hello Neighbors,

My name is Ben Wisthoff and I would like to take this opportunity to introduce myself to any of you that don't already know me. I have lived in this neighborhood for nearly my entire life, and my family has been enjoying this land of pleasant living for generations. My wife, Kellie, and I are fortunate enough to live next door to my parents, and we run an antiques and collectibles business from our home. Nothing makes me happier than to reminisce with many of our long time neighbors and to help tell stories to our new neighbors in hopes that they'll love this place as we do. I find that beer helps with this process.

I am excited for the year ahead of us, and hope to continue the enthusiasm that was

apparent at last years community functions. This will all start soon, as Clean-Up Day is approaching on April 16th. The plan is simple, come on down to the beach at 9:30am with some work gloves and tools and wheelbarrows and weed eaters etc. We'll pump you full coffee and donuts, and after just a few easy hours of work, we'll have some lunch and a cold beer or three. Last year saw great turnout, and a remarkable amount of work got done in a hurry. This day will have our facilities ready for another season of fun and memories.

All of our events are put on by a great group of volunteers, and I encourage anyone who would like to help to reach out to Tracy Poyneer or any board member and ask how you can help. Last year we raised over \$2000 to benefit our marina improvements, and this year I know we can do even more. There is a lot more work to do at the marina to ensure that it is a safe and secure facility that continues to add value to North Shore. I welcome David Klatt to the board as the Marina Chairman, and I am confident that he can continue what Jeff Schell started.

I encourage any resident with concerns to never hesitate to reach out to me, as I need input from the community to ensure that we are always doing whatever we can to keep North Shore as special as it is.

Sincerely,

Ben Wisthoff, President

Larry Lennon

by Carole Lennon

Larry Lennon, a long time North Shore resident, passed away on Feb 7, 2016. A lifetime resident of Anne Arundel County, Larry was an architect and designed many houses and businesses in Maryland and Virginia, including many in North Shore and nearby areas. He loved his work and after many years as a corporate architect for American Trading, retired and opened his own office at home on 357 Dutchship Road.

Larry and Carole moved to North Shore in 1966 where their children Kerry, Sandy and Steve enjoyed growing up. Carole was a piano teacher for 45 of the 50 years they lived here and their children worked and participated in many North Shore activities.

North Shore was a wonderful, safe place for a growing family and the neighborhood kids were back and forth on Dutchship to Sneads' and Lennons' and the beach with watchful moms handing out PBJs and Kool Aid to the kids. Most of the kids walked to the beach then, rolling their truck inner tubes to swim with, carrying their towels around their necks. In those days of the 70's, moms would get their housework "done" and head for the beach for lunch and a swim. We spent the afternoons chatting with friends and watching the kids' antics, then we would head home in time to prepare dinner. We had Red Cross swimming lessons for 2 weeks each summer so our children could learn to swim and be water safe. Red Cross also offered lifesaving courses and some teens passed a test to become lifeguards. Then, as now, they marched in the heat of the 4th of July Parade.

Things have changed some since then, but the general safe feeling of our neighborhood

remains in place (except for careless, fast drivers.) There's no better neighborhood around that's got more going for it than North Shore. What a great place to live!

A Message From Membership

Dear Neighbors,

We have made a good start with responses to the Membership Renewal Letter with 62 renewals as of March 20th. Thanks to all of you who have renewed. We still have a long ways to go though so I urge all of you who have set your letter aside to do later to send it in now. A second mailing will be sent out in April but the more of you who act now, the lower the cost will be for the second mailing so that's a good thing. After May 1st all unpaid memberships will lapse and those who procrastinate will not be able to take advantage of the use of community amenities like the Park, Marina and Beach and that's a bad thing.

A busy and fun Spring and Summer activity season is just around the corner and I'm looking forward to seeing you all at the events.

Jeanne Brush, Membership Chair

Meet The Pet

by Bunky Snead

Meet Hopper. Bunky Snead recently had a pet cricket named Hopper. One morning Bunky couldn't find Hopper until he left for work and saw Hopper on the bottom of his shoe. Please send condolences to the Snead residence. Funeral services are being arranged.

Garden Club

by Laurie Gardner

There will be no Garden Club meeting in April. We are hosting an event with a limited amount of attendees. Our next in-house meeting will be held on May 17th at the home of Cris Imle at 7 pm.

With the warm weather around the corner, we would like to remind everyone that our tasty, nutritious and convenient herb garden will be ready for use in the next month or so. Please feel free to add to the garden or use these herbs when you need them.

You may notice some hay bales near the garden in the next few months. These will be used as potting material for growing tomatoes. We're excited to offer this community sharing program and would encourage anyone to make suggestions, contribute plants or help with this endeavor by joining us as the next meeting on May 17th.

North Shore Galley

by Nancy Anello

Seafood Appetizers

15 min prep time
35 min total time
7 ingredients
24 servings

Ingredients

- 2** cups frozen cooked salad shrimp, thawed
- 1** can (8 oz) Pillsbury™ refrigerated crescent dinner rolls or **1** can (8 oz) Pillsbury™ refrigerated Crescent Dough Sheet
- 1** cup refrigerated flake-style imitation crabmeat, cut into small pieces
- 1** teaspoon seafood seasoning (from 6-oz container)
- 1** teaspoon garlic powder
- 1 1/2** cups shredded Mexican cheese blend (6 oz)
- 1** teaspoon parsley flakes

Steps

- 1** Heat oven to 375°F. Press thawed

shrimp between paper towels to remove excess liquid. Cut shrimp into small pieces.

2

If using crescent rolls: Unroll dough onto ungreased cookie sheet. Press to form 12x8-inch rectangle; firmly press perforations to seal. If using dough sheet: Unroll dough onto ungreased cookie sheet. Press to form 12x8-inch rectangle.

3

Top dough with shrimp and remaining ingredients in order listed.

4

Bake 15 to 20 minutes or until crust is golden brown. Cut into squares.

Greek Chicken Salad

Ingredients

- 3 ounce boneless chicken breast
- 3 olives (black)
- 1/2 teaspoon oregano
- 1/4 teaspoon garlic powder
- 1/2 tablespoon olive oil
- 4 teaspoon red wine vinegar
- 1 tomato (medium)
- 2 cups lettuce of choice
- 1/2 ounce feta cheese

Preparation

Rinse chicken and cook in pan with a little water for about 5-6 minutes until thoroughly cooked. Remove from pan and let cool; then shred. Rinse and dry salad greens, rinse and chop tomato and slice olives. Whisk together oregano, garlic powder, oil and vinegar to make dressing. Top greens with shredded chicken, tomato and olives. Pour dressing over salad, sprinkle with crumbled feta cheese and toss. Serve with toasted pita bread.

Chicken Oscar Fettuccini

Yields 1 serving

1 6-ounce boneless, skinless chicken breast
 ¼ cup all-purpose flour, seasoned with salt and pepper
 2 tbsp. extra virgin olive oil
 ¼ cup dry white wine
 2 ounces butter
 1 cup heavy cream
 1 tbsp. Old Bay seasoning, plus extra for presentation
 ¼ cup grated Parmesan cheese, plus extra for presentation
 ¼ cup jumbo lump crabmeat
 4 pieces asparagus, blanched
 5 ounces fresh fettuccini, cooked al dente
 1 tbsp. freshly chopped parsley

1. Place a frying pan over high heat.
2. Lightly pound chicken breast and dredge in seasoned flour.
3. Once pan is hot, cover the bottom with olive oil and add chicken. Saute the chicken until brown on one side, about 3 minutes.
4. Turn chicken to other side, and turn the heat down to medium. Add white wine to deglaze the pan. Simmer for about 3 minutes.
5. Dredge butter in flour and add to pan, along with heavy cream, Old Bay, Parmesan cheese, crabmeat and asparagus.
6. Simmer until chicken is cooked through (holding an internal temperature of 165 degrees for 15 seconds) and the sauce has thickened, about 2-3 minutes.
7. Toss the cooked pasta with a spoonful of sauce and nest on a large plate or bowl. Top with the chicken breast, asparagus, crabmeat and remaining sauce.
8. To present, sprinkle with parsley and dust the plate with Old Bay and Parmesan cheese.

Thank You Neighbor!

- Thank you to Cris Imle for delivering the March Barnacle!

Thank
You

Minutes from the Meeting of the North Shore Board of Governors

March 1, 2016

by Lana Matovcik

The annual pot luck dinner for “the changing of the guard” and installation of officers for the North Shore Board of Governors was held on March 1, hosted by Cindy Gottschalk. Following a delicious feast, the meeting was called to order at 7:15. In attendance at the meeting were Jeff Schell, Lisa Stamper, Ben Wisthoff, Marion Glasby, Laurie Gardner, David Klatt, Doug O’Connell, Rick Scruggs, Rick Watts, Wayne and Amy Bartholomee, Tracy Poyneer, Bonnie Howatt, Cyndi Gottschalk, Lana Matovcik, and Jeanne Brush.

The minutes of the January meeting of the Board were approved as submitted.

Treasurer’s Report

The General Fund opening balance in January was \$21,347. After expenses of \$2,222, including the annual liability insurance premium, the ending balance was \$19,127. The reserve Fund CD balance ended the month at approximately \$28,049.

The opening balance in February was \$19,127. After expenses of \$693, the ending balance was \$18,435. The reserve Fund CD balance ended the month at \$28,072.00

Beach

Doug will work on setting up a meeting with Tracy, Ben and Lana to complete a rental agreement for the two patio heaters, and hopes to have this done before the next board meeting. Wayne pointed out that we

should contact our insurance carrier and get clearance from them before committing to any rental.

So far, in addition to the 8 community events scheduled for the Beach, we have 2 requests for individual Beach rentals, one has submitted the rental agreement with their payment. Doug submitted the following chart of Beach reservations for 2016:

4/16	Earth Day Clean up
5/21	Spring Fling
6/4	Hawkins
6/18	Summer Kick Off
6/25	Young
7/4	4 th of July event
9/24	Crab Feast
10/28	Adult Oktoberfest
10/21	Children’s Halloween Activities
12/11	Caroling & Santa

We discussed the deposit policy and decided not to make any official changes unless we have issues with people failing to clean up after their events.

Doug has looked into the replacement of the current volleyball net. We can replace the existing net with one of the same quality for \$35.00 plus tax. To replace it with a high quality net would cost \$101 plus tax. The high quality net has a vinyl coated steel cable at the top and bottom, as opposed to a nylon cord used in the existing net. It was also noted that the poles are too close together for regulation play, and if we purchased the more expensive net, we would need to relocate the poles. Doug

recommended that we buy the cheaper replacement. Upon motion made by Ben and seconded by Jeff, the Board voted to buy the less expensive replacement.

Entertainment

Tracy submitted her report at the annual meeting and is currently focusing her efforts on the Earth Day clean up event scheduled for April 16. Tracy has some great plans for this event with vendors, sustainable give-a-ways, and other changes. She has received lots of positive response through social media. She plans to have two dumpsters this year, one at the beach and one at the park. She will have pre-event meetings to identify tasks and areas of work. Wayne mentioned that Ted Tepper plans to bring a bucket truck to trim overhanging branches along the Marina road.

Thanks to Jeff for posting the event schedule at the Marina, Jon for posting on the website, and Amy for posting in the Barnacle.

Membership

Membership renewal letters will go out this month. There will be an opportunity for members to include email addresses and phones, and also an opportunity to opt out of providing that information or making it available to the community.

Garden Club

OBI workers came and have completed the cleaning up leaves in the community gardens. This will allow the garden club to focus their energies on maintaining and caring for the plants. There was no meeting in February, but they are actively seeking new members. The next meeting is

scheduled for March 15, getting ready for spring clean-up. The April meeting will be on 4/19 at the Willow Oaks Flower and Herb Farm in Severn, and members will make an herb wreath at the event.

Rick has contacts with an expert in green roof design, and thought he might be an interesting speaker at a future event.

Park

There has been some minor vandalism on the net, but can be repaired. If anyone has any suggestions for capital improvements or other projects for the Park, let Rick know.

Pier

Letters for slip rentals and key rental renewals will go out on March 31. The ramp lock will be re-keyed this year, and the process of exchanging old keys for new keys is a daunting task. Plans are to have new keys available for exchange at the Earth Day Clean- Up event on April 16. Ramp users should plan to exchange their keys at that event rather than trying to meet individually with the pier chairman. Arrangements will be made to have keys available before then for members needing keys for the opening day of spring rockfish season. Reminder- community dues must be paid before payments for keys or slips will be accepted.

Jeff will be meeting with the new pier chairman to transition the records and bookkeeping.

There was some damage to the roof over the new sign and Jeff will discuss options for repair with the new chairman.

All were very appreciative of the tremendous progress Jeff has made during

his tenure on all aspects of marina management, from bookkeeping and paperwork to the new shed, water upgrades and other projects in the works.

Roads & Zoning

Subsequent to our January meeting, the Board authorized Ben to send a letter to the County regarding the possible illegal subdivision which was essentially accomplished through the Orphan’s Court without any notice to the community. To date, there has been no response from the County. He is going to send the letter again via certified mail, return receipt requested, to make sure they acknowledge receipt.

Tax plat records are available from the State at \$25.00 per plat or \$20.00 for digital records. Ben would like to order the two plats that cover our community. Upon motion made by Jeff and seconded by Rick, the board authorized Ben to purchase the digital plats.

Barnacle

Thanks to Marty Gavin for delivering the last Barnacle. The current month is at the printer and will be delivered this week.

Old Business - None

New Business –

Several members have heard reports of odd behavior and persons perhaps photographing children at the park. Please keep an eye out for unfamiliar vehicles prowling the area around the park, marina and beach. We also discussed the idea of designating safe houses where children can go if they notice anything suspicious. We will work on this concept at the next meeting.

Ben Wisthoff said his father was interested in rewriting the history of North Shore – an idea that was enthusiastically embraced by the board.

The following members were elected officers for the coming year:

- | | |
|----------------|---|
| President – | Ben Wistoff |
| Vice President | Lisa Stamper |
| Membership | Jeanne Brush |
| Secretary | Lana Matovcik (Adam Poyneer will help as Asst Sec. as needed) |
| Treasurer | Marion Glasby |
| Roads & Zoning | Laurie Gardner |
| Marina | David Klatt (Jeff Schell as Asst Chair) |

The next meeting will be at the Poyneer’s house, on April 5.

There being no further business to discuss, the meeting was adjourned at 8:32
