Great participation in the Luminaries! Hopefully even more residents will get "luminized" next year. Thanks to all of those wonderful people who helped set up for the Children's Christmas party. A special thanks to Dane Mariner for cleaning up & "undecorating".

(Somebody should marry that man!!) Santa would like his Elves Sara and Stephanie to know how much he appreciated their help!! Ted Tepper thanks for the port-o-pot in the "St. Nick" of time!

**Membership: (Ted Tepper)** No report.

**Park: (Bob Douglas)** Keep up the good work. Visitors to the park are leaving it litter-free when they leave. It has looked clean for the last several months. There is a large plastic bag attached to the bike rack for any trash you find. The improvements at the park continue. We are submitting a plan to the County to spread dirt and better seed the low areas. We expect approval in time for a spring planting. We also intend to reschedule the Park celebration for the same day as the spring clean-up for the community. We will keep you posted. Enjoy.

**Beach: (John Williams)**

The beach survey has begun.

**Pier: (Rich Fenton)**

The ice eaters have been installed.

## **Welcome To North Shore**

North Shore would like to welcome Irene and Joe Brzuchalski. They have 4 grown children and come to us after spending 19 years in the Linthicum area. They enjoy boating and Joe is an avid golfer! Irene likes sewing and landscaping. Considering that they moved in mid-November, these busy bees settled in quickly before the holiday. The decorations looked wonderful! We look forward to seeing them at future North Shore community events.

*Sue Coburn, Welcome*

## **Luminaries**

Brenda and I would like to thank everyone who participated in the Lighting of the Luminaries this year! The streets looked warm and inviting on Christmas Eve. If you haven't paid yet, please remember that your donation to the North Shore Garden Club, sponsors of this event, can be given to Brenda or me. A special thanks to Michelle, Megan and Kaitlyn Hammer (and friends) for delivering flyers in the pouring rain and working the assembly line!

*Sue Coburn*

## OUR BEST FRIENDS

To many of us they are our best friends. We know they would never hurt anyone. And their bark has no bite. Nevertheless, they do scare some people - especially little ones and older ones. We have learned that some people are reluctant to walk in the neighborhood because they are literally afraid of the dogs that roam and bark at passersby. Please do not let your dog roam free in the neighborhood. While such freedom is enjoyed by our best friends, it limits the enjoyment and freedom of some of our neighbors. We need to police ourselves in order to keep the dog catcher away. Thanks for your help and hopefully we will see some of our neighborhood walkers returning to their ways.

### HELP KEEP NORTH SHORE A GREAT PLACE TO LIVE

The annual election of members for the North Shore Board of Governors is set for the annual meeting in February. Working on the Board is a great way to help and return something to your community. Details about the Board are located in the By-Laws of the North Shore Association Inc. The By-Laws can be found in the back of the Porthole phone directory or on the community website - [www.northshoreaa.com](http://www.northshoreaa.com). Of special note is that the By-Laws list the duties of the Board members. It states: "The primary duty, and continuing obligation of the Board of Governors, shall be to preserve, administer and enforce the restrictive covenants relating to the North Shore Community." Some people are reluctant to do this because they prefer a "live and let live" philosophy of life. Most of us in North

### VANDALISM DAMPENS THE HOLIDAY SPIRIT

This should just be an article thanking the Garden Club for the wonderful job they did decorating the community for the holidays, however, that is not the end of the story. Sadly, on December 18<sup>th</sup>, sometime between midnight and 6AM, vandals destroyed the display at the corner of Edgewater and Dutchship; and crushed floodlights at that location as well as at the community sign. Our Garden President, Nancy Anello, managed to issue an eleventh hour plea for information just before the last Barnacle went to print. To date, she has received no response. Last Tuesday, after the monthly board meeting, several members were discussing this senseless act of destruction. We decided to personally donate more money and raise the reward to \$100.00. In the meantime, a N.S. resident has also offered \$100.00 to the reward fund. The total reward now stands at \$200.00. Anyone with information should call Nancy Anello at 255-5673.

Additionally, during Christmas week, a community resident's truck was vandalized. I sincerely hope this is not the beginning of a rash of incidents. If you are a night owl, and frequent our roads after midnight, please take note of any suspicious vehicles driving thru the community. Jot down the license number, or make and model, and call any board member with the information. If an incident does occur, we might get a jump on it. Let's try to stop this problem before it escalates.

*Nancy Bassler, President*

Shore share that philosophy. North Shore is a great place to live because that philosophy underpins much of what we do. However, North Shore also is a great place to live because the characteristics established when it started have been maintained over the decades by a Board working hard to keep it great. Board members do not approach their responsibilities as neighborhood police. They do feel a responsibility to make sure the community continues to reflect the characteristics which established the community. Please consider working with the Board either as a member or occasional volunteer to keep North Shore a great place to live.
