*The Barnacle* is a monthly publication pertaining to the community of North Shore. Please feel free to send birth announcements, death notices, recipes, items for sale, workers for hire, and thank you notes to neighbors for being especially neighborly, North Shore history, and upcoming events. If you have any submissions for the Barnacle, please e-mail them to me at [adbart65@comcast.net](mailto:adbart65@comcast.net). The deadline for submissions is always the Sunday following the Board Meeting. To advertise a business in *The Barnacle*, please send your camera-ready artwork or a business card to me. The cost is \$50 per year, checks made payable to the North Shore Association. We also have rates available for one-time-only ads. Please call me for details, 410-255-0264. --Amy Bartholomee, Editor

MINUTES  
NORTH SHORE BOARD  
TUESDAY, JUNE 7, 2005

BOARD MEMBERS PRESENT: Nancy Bassler, Ted Tepper, Wayne Bartholomee, Jon Williams, Sarah Ann Parsons

The meeting was called to order at 7:40 pm by President Nancy Bassler. The minutes of the previous meeting were approved as they appeared in the Barnacle.

Treasurer's REPORT

Balances ending May 31, 2005:

NSA General Checking Account:  
\$17,602.08

NSA	Capital	Reserve	CD
Acc't:	\$25,451.45		

ENTERTAINMENT:

In Rose Butt's absence Nancy reported that most of the people who normally help out with Family Day are going to be away this year so she needs more volunteers. There were several people who agreed at the last meeting to help set up and Wayne, Ted, Jon, Andy Bassler and Charlie Parsons will help with cooking and making the beer runs if need be.

MEMBERSHIP:

Jon Williams stated that we now have 138 paid households as members. Most everyone that usually joins has joined and a reminder has been sent out to those who haven't paid.

ROADS AND ZONING:

There were two applications to be presented.

The first was from the owners at 462 Edgewater to have three trees cut down to be replaced by three ornamental trees. The board approved the request.

The second application was from the owners at 358 Dutchship Road to put a shed up. The application stated that the shed was to be constructed with only 7 foot setbacks. The board approved this application provided they have the shed on the property with 10 foot setbacks as outlined in the North Shore Covenants.

It was announced that Clare Edmonston has regrettably resigned the position of Roads and Zoning. The board is considering how to fill the position as stated under New Business.

#### TENNIS COURTS:

Nancy has proposed the possibility of abandoning the tennis court because of the large expense to repair it and the lack of use by tennis players. Because of the low lying area it continues to deteriorate. However, since this is a community asset it was felt the entire community must make the decision as to how to proceed with the future of the court. A letter, to be approved at the next board meeting, will be sent to the North Shore population for their input and a final decision.

#### BEACH:

Ted Tepper reported that a contractor is coming to pour concrete to put the shed back where it was before Hurricane Isabel displaced it.

A motion was made to allocate \$1500 for Ted to begin to do some beach

improvements, repair some of the damage done by the hurricane and start some of the renovations to the pavilion, such as a new roof. The motion was passed.

The beach is rented for June 10 and August 7. A suggestion was made that the beach only be rented for one day of any weekend. That suggestion was tabled for future discussion.

The grass will be cut by Ted or anyone else who would like to do it. They will be paid.

The survey company has been called twice to have the final two stakes installed before the surveyors will be paid.

#### WELCOME:

Denise Larbig has welcomed the Gonzales family and has another family to welcome.

#### PARK:

Approximately 20 people helped rake and seed the park to complete the park project. The grass is growing and the drainage problems have been greatly reduced since the work with just a few areas still needing some help.

#### OLD BUSINESS:

None.

#### NEW BUSINESS:

Nancy read a letter from Harry Rupperecht regarding the appearance of the sign at Mountain Road. He stated

that he was concerned over its condition. The board made a motion to authorize \$200 for Harry to do some repairs to the sign. The motion passed and the board is extremely appreciative of Harry for his efforts to improve our sign.

Regarding Clare Edmonston's resignation, Nancy reviewed the by-laws as to how to fill a vacant slot. Article 5, Section 1 states that there shall be 9 governors but that number can be increased to 10 or decreased to 4 by a majority vote of the entire board. Since Clare's resignation returns us to 9 members, it was agreed that Nancy would ask Terry Siwinski to assume the duties of Roads and Zoning. Terry is a current vice-president along with Jon Williams, who also has the duties of Membership. (Terry was contacted and agreed.)

#### ANNOUNCEMENTS:

The Board would like to offer their sincere sympathy to the Butts family on the sudden death of Joe's mother. Also, sympathy goes to the Siwinski family on the death of Brian's uncle.

As there was no further business, the meeting was adjourned at 9:10 pm. The next meeting will be on July 5 at the home of Terry Siwinski.

*Respectfully submitted,  
Sarah Ann Parsons, Secretary*

## Park Report

You had to notice. How could you miss it? It was not exactly transforming clear water into red wine. But it was a significant transformation. Brown dirt into green grass. Yes, a band of your caring neighbors spent a beautiful, though hot, Saturday in May raking crusty, dry dirt. Shoveling uneven mounds and filling low spots. The goal was low level: To improve drainage by eliminating low spots; To even out four dump truck loads of dirt; To spread more than 200 pounds of grass seed; To spread half as much fertilizer; To gently cover the tender seeds with a truck load of straw; To pray and dance for rain. The rain came, the birds stayed away and the young shoots arrived, slowly extending into lush and fuller grass cover. The revitalized Kenneth Nash Park is taking shape. The playground has been dug out, refilled and replenished with new chips. The rusting metal playground has been repainted a shiny silver rust-proof paint. A new, lower level basketball net has been installed for the younger superstars of the court.

Soon the Park will be ready for a celebration to thank those who gave time; energy and care to bring the park back to glory. In the meantime, please keep up the good work. You have done a great job keeping the park clean of trash by picking up whatever you see. Even the youngsters when asked have pitched in. Now there is a second way to help. When you see any of the people listed below, go out of your way to just say thanks or, if so moved, give them a hug. They have worked to make this a cleaner, safer and better place for our children to have a wonderful childhood. They gave up a beautiful spring day to

sweat, toil, strain and pull muscles and generally kill themselves for you and our children. One of them had a personal reason to be there. Lee Nash spent the day working with a rake his father used. A rake used by Kenneth Nash who spent so much time helping the children of his time and for whom the Park is named. For Lee it was a day to remember his father and to remind the rest of us that pitching in and helping is a community tradition spanning generations in North Shore. He also has some great stories about building the park, creating the marina and growing up on the river. Remember to thank Lee and these people who have continued the tradition of Lee's dad and given to make North Shore a great place to live, raise a family and share life with good people: Brian Siwinski, Nancy Bassler, Rich and Monica Fenton, Leslie Sater, Rob Eckardt (who also recruited Steve Martman from Arnold), Glenn and Sean Ebaugh, Brian Ferguson, Rusty Kirk (who recruited his father), Denise, Tyler and Zoe Larbig.

We will plant willow trees and other plants to complete the revitalization. We will have a community celebration to recognize all who helped and to appreciate the new Kenneth Nash Park. Until the celebration, enjoy are park and do what you can to make it a special place for our children. Enjoy.

*Bob Douglas, Park*

## **Entertainment**

The Bull & Oyster Roast turned out to be a very enjoyable event. From what I hear, the Oysters were the best ever. Kudos to Dave Hammer for getting these delicious morsels. The beef, awesome as always. Thanks to Glenn Ebaugh and his wonderful assistants, Zack & Sean. A big thank you goes out to Nancy Bassler, Sue Coburn, Todd Heath, and my wonderful husband Joe for all their help in setting up and preparations. Thanks to the numerous NSA members that helped with clean up.

This year on the Fourth of July, I would like to have a cardboard boat race. Everyone is welcome to enter. I am requesting that there be no larger that a 2 person team. We will have the rules and regulations for constructing your boats so start collecting cardboard now. CALL ME to let me now if you are interesting in participating. I need to have a team count and you need to get a copy of the rules before constructing your boat.

## **Welcome to the Neighborhood**

Please join me in welcoming Leroy and Kathy Gonzales to the neighborhood. The Gonzales' live at 358 Dutchship Road with their pet cat. The lived for 13 years in Bowie, before deciding to move closer to the water. Kathy is a regional property manager for Brady Management, which manages condos and home owners associations in the Baltimore area. Leroy is an engineering supervisor for apartments managed by Kay Management. In their spare time, the Gonzales' enjoy boating, fishing, jet skiing, traveling and sightseeing. Leroy

also likes to garden. He tells me that Kathy is a fantastic cook. Welcome to North Shore Leroy and Kathy!

*Denise Larbig, Welcome*

### **Tommy Aleksandrowicz**

Thomas (Tommy) Aleksandrowicz was born September 2, 1948 and lived in North Shore for more than 40 years. Tommy graduated from Northeast High School and Anne Arundel Community College. He was an avid fan of the Orioles, Ravens, and all basketball. Tommy could give you sport statistics on any team. Over the years he helped to coach children in Little League. Tommy was especially close to his great nieces and nephews and followed all their activities. Tommy died on May 26, 2005. He was a true friend to me and all.

*Pat Austin*

### **Bill Canty**

Bill Canty, a long time resident of North Shore and president of the association in 1993, died at 5:05 P.M. on the 22nd day of June 2005 in the Easton Memorial Hospital on the Eastern Shore. Bill and his family owned homes on Dutchship Court and subsequently on Park Creek Court. They moved to the Eastern Shore in 2004. Bill fought a devastating illness for a number of years and knew he was going to beat it until the end and his family was with him at that time. Bill was a wonderful neighbor to those fortunate enough to live near him and was respected throughout the community, and his heart and willingness to help others knew no

bounds. His passing leaves a huge void in many of the households in North Shore. He is survived by his wife Ann, daughter Michele and son Christopher. Ann's address is: P.O. Box 416, 6554 Bellevue Road, Royal Oak, MD 21662-0416

*Daniel Larsen*

### **From the Dirt Zone**

Other news from the gardeners of North Shore Dee F and Jean W need help in their gardens and will share plants in exchange for the help. Anyone interested can call Jean at 410-255-1090. Instead of our July meeting we will be going abroad on a garden tour.... a garden tour and buying trip July 12th leaving from Jean's house at 3pm.

There is also room for anyone interested in a Virginia garden tour that takes the whole day and includes lunch. Please contact Jean if you are interested this bus tour sponsored by the National Capital Daylily Club is the Saturday of July 16th.

*Jean Williams, Garden Club*

### **PADDLING AROUND**

I seem to have been blessed with another try at water sports... while white water kayaking and rafting will never again be my path...just paddling around in the morning calm is as much fun.

Plus the added help of getting me back in shape. Since doing just that I have been noticing many piers and docks with a kayak.... do we have any interest in a paddling club??? Jen and Danny how about it?

Anyone else interested in a no load, easy on the back and knees form of exercise that includes a wonderful view from the water, the lap of the waves and the sigh of the water fowl on wing. It's a great way to start the day, burns the calories and keeps the heart young... Interested call Jean 410-255-1090

- Free dog house from Vernon Kral, please call 410-255-2106.

### Membership

We're off to a rousing start as we have 142 paid members with the final checks still coming in. The Board and all the community certainly appreciates those who support all that we do in **NORTH SHORE**. Between the sign at Mountain Rd, the entrance to the community, the beach, the park, the boat ramp, the marina and various garden plots it is easy to see where the money's go. The entire neighborhood benefits from these amenities as reflected in the price of homes. Add on the various functions and you can see why the realtors consider this to be an enviable location. Below are the neighbors who have committed to supporting the association.
