**NORTH SHORE ASSOCIATION
BOARD MEETING NOTES
MAY 2, 2006**

BOARD MEMBERS PRESENT:

Nancy Bassler, John Williams, Sarah Ann Parsons,
Bud Jenkins, Denise Larbig, Brian Siwinski,
Wayne Bartholomee, Bill Morris, Fran Kuhne

GUESTS PRESENT:

None

The meeting was called to order at 7:10PM at the home of John Williams.

The minutes of the April 2006 Board meeting were approved as printed in the Barnacle.

ENTERTAINMENT:

John Williams reported the Easter Egg Hunt was great fun. Several new community members participated and all had a hopping good time!

Family Day is scheduled for Saturday June 17 at 1PM. The hot dogs, hamburgers, soda, water and beer are provided. Bring your favorite dish to share. John is checking out the feasibility of renting a Moon Bounce for the day.

MEMBERSHIP:

Nancy reported there are 108 paid members. A list of paid members will be published in the June Barnacle

WELCOME:

There are 4 families that Denise will be welcoming.

TREASURER'S REPORT:

Current NSA Bank Balances of as April 30, 2006:

General Fund Checking Account:

\$19,195.40

Capital Improvement CD Account:

\$26,175.09

The large expenditure for the Beach in April is a fifty percent, \$1750.00, deposit to replace the sea nettle net destroyed by Hurricane Isabel. The new net is partially funded by an Anne Arundel County community improvement matching grant applied for by Nancy Bassler.

A great 'Heads Up' to Nancy for bringing some of our property tax dollars home to North Shore.

Wayne Bartholomee, NSA Treasurer

BEACH:

Beach has been mowed and 2 Porta-Potties ordered. One for the Beach and one for the Park locations. Nancy called the man contracted to make the nettle net and he has not gotten the material as yet but does not anticipate a problem meeting the June delivery date. Nancy will have the check from Wayne to send to the net maker as soon as he receives the materials for the net. Nancy received the permit from Anne Arundel County for removal of the Tennis Court.

The Beach is reserved on July 1 by Wendy Warner. A donation of \$50 is requested for NSA members when reserving the Beach.

PARK:

Bud reported the grass has been cut; one basketball net installed the second soon to follow. Bud will remove from the Park property a small tree that is dead. The two benches that were off to the side at the Park

Bud is going to repair and place by the Park play equipment area. A new trash can will be purchased and put in the Park.

PIER:

Bill has spoken to John Leopold's Aide Brenda several times about having dredging done at the Marina. The large Anne Arundel County storm drain that empties into the Marina has led to the adjacent slips silting in. Leopold's office will help obtain the necessary permits from State Environmental Agency and Army Corp of Engineers as well as getting Anne Arundel County to help pay for the dredging. Bill will get estimates from contractors to have the boat ramp and bulkhead repaired in the fall. Beacon Electric completed the electrical work at the Marina. Lights on the Park side of the Marina will be fixed by Bill & company. Lock has been changed and new keys are available for \$20.00 to NSA members. The water leaks have been repaired. Marina took in \$4122.00. Next year the Marina bills will be sent out with the membership dues letters.

ROAD AND ZONING:

Brian reported that Verizon is setting up to come into North Shore with high speed cable.

OLD BUSINESS:

Attorney was contacted regarding the encroachment at the Beach property.

NEW BUSINESS:

Dick Walsh offered a propane tank to be used for grill at the beach. Denny Debus is fixing existing propane tanks so the beach grill will have plenty of gas!!

BARNACLE:

Articles are due to Amy Bartholomee by Sunday May 7.

The next meeting will be held on June 6 at the home of Fran Kuhne.

The meeting was adjourned at 8:05PM.

Fran Kuhne, Secretary

Notes from the Dirt of North Shore...

It's time for spring cleaning, and I need to do some on my much needed thank yous!

Thank you **Brenda Mariner** for the centerpieces you made for the spring dance. Thank you **Jim Logan** for the boulders in the garden and all your hard work. Thank you **Brenda DeReamer** for the beach garden and all your hard work. Thank you **Bob and Sadie Lane** for the use of your hose and helping to water the beach garden. Thank you **Jon and Anita Bailey** for the electric used for the lighting of the North Shore sign, also for your help digging and use of your water. Thank you **Jean Williams** for all your plants grown with love and your know-how. Thank you **Sarah and Bud Jenkins** for the park garden, they are always looking for help. Thank you **Brenda Mariner and Sherry Snead** for the garden along Dutchship, they are Shelvy Snead's daughters and they took over while she was on vacation. Thank you **Denny and Lani** for you hard work on the garden you care for. A special thank you to **Mrs. Melotti** for all your efforts to keep North Shore clean and trash free. I hope that I didn't forget anyone but if I did THANK YOU!! Everyone can enjoy all the hard work we do, and how blessed we are to have such a wonderful neighborhood filled with great people. I've noticed some pretty gardens and lovely yards, make sure you stop and smell the roses, life is good.

We need flowers and mulch for gardens all around the neighborhood.

Sincerely, Nancy Anello, North Shore Garden Club

ENTERTAINMENT

Well, the Easter Egg Hunt was indeed a success as all the children left the beach with a basket and a balloon in tow. Plenty of cake and punch for all. Next in line will be the Family Day on June 17 at 1:00 pm at the beach. We supply the hot dogs, hamburgs, chips, libation of all types. All we ask is that each family brings one dish to share. This is the 47th year and we've used the same formula for all those years. It should be warm enough for the kids to enjoy the water. **SEE YOU AT THE BEACH!!!!!!**

Jon Williams, Entertainment

MEMBERSHIP DUES REMINDER

First a big thanks to all our neighbors who have already sent in their dues. This is just a friendly reminder to all those neighbors whose notice has gotten lost in the bills folder. Every membership is important and every dollar goes to making North Shore nicer! A list of association members will be printed in the Barnacle that will be distributed in June. Let's work to make that list a very, very long one!

Nancy Bassler, Membership

NotesfromNORTHSHOREburbia

Well, it is a beautiful day in the neighborhood as neighbors walk the neighborhood and see that the **NORTH SHORE** Garden Club has sprung into action. Already there is action at the corners

of Dutchship and Valley, the main entrance, Park Creek and Valley, and at the park and beach--take a walk, see the display, and the walkers do continue as there is now the early morning group, pre 6AM and then the 6:30am West Side walkers, the mid morning walkers, slightly less intense and then the growing twilight walkers who are out just before dusk...and the Easter Egg hunt occurred on a beautiful day with 20+ of **NORTH SHORE'S** finest egg hunters at the beach--as is the protocol, the under 3 were allowed an opportunity to seek out the treasures on the beachfront to insure they leave with an ample bounty---a few neighbors met others for the first time...and from the Waterman's Gazette, dated May 2006, "The LA Times reported that scientists are working to create pigs whose meat will contain the same omega-3 fatty acids that make cold water fish so critical to a healthy diet, a gene taken from an earthworm is being used to alter the genetic make up of the pigs---no body will know how healthy it will be to eat ribs in the future...and from the neighbor helping neighbor category, one neighbor got a phone message from the Fox/Walsh estate on the north side of **NORTH SHORE** that a new neighbor Tony R was willing to donate two partially full propane tanks to the beach---the neighbors contact the Board, "who says yes" and the Fox/Walsh contingent contact a new neighbor, Greg McG, and with truck in motion they deliver the tanks to the beach---and to think all this happened on a Wednesday afternoon, where all parties involved were in the Wednesday night races...and a neighbor announced that they too had acquired a kayak---can't wait for the regatta---no doubt passing in review at the beach---no doubt a new club is near beginning...*from the 100 years ago category, the population stats were 1900-40% urban, 60% rural and 2000 75% urban, 25 % rural.*-----now the question is

where does **NORTH SHORE** fit in since we don't have access to city water, city sewer, gas lines, public transportation or other amenities-----and the more pressing question is, "Do we want them?" or maintain our independence.....and a neighbor says his daughter called to let him know that as part of the college curriculum, Juli W was required to attend a Blue's Cruise that left the Boston waterfront at 12:00am and due to return @3:00am---he didn't sleep very well that night---is that what they call TMI?...the Family Day experience, at the beach, is due to occur on June 17, 2006 at 1:00pm---always a good sign---note your calendar and look for the sign.....and you save the best for last and we are glad to announce that Brian and Meg Ferguson brought a new son to the **NORTH SHORE** family and have decide to call him Wyatt---another new legacy is beginning

*I had a Mother who read me the things
That wholesome life to the boy heart brings-
Stories that stir with an upward touch,
Oh, that each mother of boys were such!*

*You may have tangible wealth untold;
Caskets of jewels and coffers of gold.
Richer than I you can never be--
I had a Mother who read to me.*

Neighborhood Notes

- Wyatt Daniel Ferguson has joined our family! Wednesday, April 26, 2006 at 6:27 p.m. 8 pounds, 3 ounces and 21.6 inches we are all doing well and Davis is adjusting! ~Meg, Brian and Davis

- Laura Schatz, along with 15 other upper classmen, was inducted in April of this year into the Sigma Delta PI National Spanish Honor Society, at Salisbury University. Laura just finished her sophomore year as a Spanish language major/ German language minor. Once again she headed to Europe this summer; this time to study Ancient Roman History and Modern German Culture in Italy, Germany, Austria, and Gaul (France), as part of Salisbury's summer study abroad program. Upon her return, she will be working for the remainder of the summer as an intern in the Maryland's Secretary of State International Office in Annapolis Maryland, where she hopes to put her foreign language skills to practical use.

- Kate Morris scored a top score of "1" in the Anne Arundel County solo festival, allowing her to go on to the state competition on May 6th. Kate has also performed with the Anne Arundel All County Middle School Orchestra for the last three years. Kate's instrument is the violin.

- Ben Morris was recognized by his school, Norbel, for positive contributions to the school community and good citizenship, by receiving two tickets for the Governor's Suite at the Oriole's game on April 30th. Ben was one of only 11 students selected. Norbel is a private K - 12 school for gifted and talented students with learning differences.

- Jenkins Memorial Church, a non-denominational church serving Pasadena and Anne Arundel County, is hosting our 13th Annual Golf Outing on Friday, June 16th at Rocky Point Golf Course. The cost per golfer is \$70 and includes greens fees, cart, range balls, coffee & doughnuts, a pit-style lunch and door prizes. Also, there will be various contests and prizes.
