

THE BARNACLE

From The President

Hi Neighbors,

I'll start with a hearty thanks to all of the volunteers who helped on cleanup day. It never ceases to amaze me how hard some of us will work for a little food and beer. I also want to thank all of those involved with the sign rejuvenation. While I'll always miss the sailboat, I'm

Community Calendar

- **Friday Happy Hours**, every Friday night, 7pm, BYOB, Community Beach
- **Summer Kick Off & 3rd Annual Regatta Race**, Saturday, June 17th, 2-6 pm, Community Beach
- **Garden Club Meeting**, Tuesday, June 20th, 7pm, home of Lisa Stamper
- **July 4th Parade**, Tuesday, July 4, 9:45 am, Glenn Nash Memorial Park
- **Garden Club Luau**, Friday, July 14th, 6pm, Community Beach

confident that this new design will be loved for generations to come.

I'd also like to congratulate all of our neighborhood graduates. Well done, have fun, be safe, and all the best in your future endeavors. I look forward to stories of your continued successes.

We're gearing up for the Summer Kick-Off, and I can't wait to see the boats for the cardboard regatta. I can only hope for smooth seas and a fast race, or some chop and a light gale to test our captains.

With school almost out for the summer, I'd like to remind everyone to slow down around our neighborhood. Let's have a safe and memorable summer.

Ben Wisthoff

The Travels of Devyn Gardner

(Devyn is doing this trip alone and staying at hostels that cost around \$5 a night...)

My journey began with a plane ticket. I wasn't sure how long I would be gone or where I would go but I was excited for whatever path this journey would take me on. I've been traveling for three months now and looking back at all of the adventures and experiences I've soaked up feels like a dream! In preparation for this experience I worked non-stop for a year after graduating from university and saved every penny I earned.

I started in Bali, a small Hindu island located in Indonesia. I was living in Ubud and volunteering as an English teacher at a school located in a local village about 20 miles outside of Ubud. The school was founded by a non-profit organization

called Yayasan Widya Sari which offers underprivileged, local students the opportunity to learn and practice English. I was teaching in a traditional Balinese

village classroom, which was basically an open, bamboo hut. Classes were often disturbed by "visitors"- chickens and dogs that ran around freely at the school!

During the weekends, I traveled around the picturesque countryside of Bali on scooter, visiting waterfalls, ornate Hindu temples, and beaches.

One very memorable morning, I hiked Mount Batur, a volcano about 1,700 meters in height, to catch the sunrise! I spent mornings practicing yoga among rice terraces and preparing lesson plans. To say that Bali was paradise is an understatement, the beautiful

landscape, ornate architecture, and warm, friendly people created a peaceful start to my journey!

One month later, I booked a flight to Ho Chi Minh- the historic, exciting hub of Southern Vietnam. I spent one month traveling up the coast of Vietnam by sleeper bus, taking my time to stop in charming, local Vietnamese cities such as Hoi An.

Hoi An is famous for their Old Quarter, which has all of the characteristics of an ancient, Asian city. Picture a small city of Chinese temples, tea rooms, and cobblestone streets lit up at night by chinese lanterns! Another memorable and exhilarating experience was canyoning in the city of Dalat.

Canyoning involves sliding, jumping, and rappelling down waterfalls. Another highlight of Vietnam was staying in Sapa, a town located in Northern Vietnam, close to the border of China. I stayed with a village woman that cooked me local food and took me on long, walking tours of nearby villages. Vietnam was a new and exciting experience for me because it signified the

start of my solo, backpacking journey. Also, Vietnam boasted my favorite food of any place I've traveled!

My favorite was Bun Cha, a traditional dish served in Hanoi which consisted of Vermicelli noodles in a broth, grilled pork, and a side "salad" of mint, basil, and other greens. Yum!

I flew from Hanoi to Bangkok, which began my travels in Thailand. Although I've been to Thailand before, I decided to travel in the South which was, for the most part, uncharted territory for me! I spent some time in the buzzing chaos of Bangkok, which despite the heat, pollution and stench, was a favorite of mine! There is something invigorating about being in a city that never sleeps- a feeling reminiscent of being in New

York City, but with all of the charm of being in South East Asia.

I then traveled to the Southern Islands and beaches of Koh Tao, Krabi & Ko Phi Phi. Days were spent relaxing on idyllic beaches surrounded by lush jungle and limestone karst formations. The landscape felt like

something out of a movie! Actually, I visited infamous Maya Bay, where a scene out of Leonardo diCaprio's "The Beach" was shot!

I now find myself in Siem Reap, a laid-back, sleepy little city located in Cambodia. Tomorrow I am going to explore the ancient ruins of Angkor Wat- the largest religious monument in the world! I'm not sure where exactly I'll go next, but sometimes the journey is more important than the destination!

Devyn Gardner

Our Graduates

Nicole Cammarata, daughter of Moe and Glenn Ebaugh, graduated School of the Art Institute of Chicago on May 15.

She had many loved ones at graduation cheering her on. Nicole will be taking a trip to Ireland to celebrate her accomplishment and will return to North Shore to begin the process of adulting. Her family is very proud of her!!

Carly Ann Anello, graduate of Chesapeake Senior High Class of 2017

Wow what a year it has been for her. Carly took AP classes, went to AACC and took courses there. After that, she will be heading off to Coastal Carolina with 9 credits to start her freshman college year. , where she will major in marine science.

She was editor and chief of the yearbook, was in the senior mentor program, had 4 years on the varsity swim team, and also a member of the National Honor Society, she has had several of her photos published in the Chesapeake Bay Magazine.

She won 2 scholarships, the first one was from Pasadena Business Association for

\$2,000 and Blades of Green for \$1,000 for essays that she had written.

Your hard work is paying off, we are so very proud of you, put your sunglasses on, because your future is so BRIGHT!

Love, Mom & Dad & Anthony

Joey Ordakowski graduated from Towson University on May 24, 2017 with a Bachelor of Science degree in Exercise Science. His future plans include securing a permanent job in his field.

We are proud to announce that our son **Roland Benjamin Siwinski** is now a graduate of Chesapeake High School. Roland will attend Anne Arundel Community College in the fall with the ultimate goal to receive a degree in business administration.

Roland wishes to start up and run his own business one day.

Alexander “Alex” Joseph Poyneer graduated Towson University with a Bachelor of Science in physics and a minor in mathematics in May ‘17. He plans to continue on to Towson University’s Masters program in Applied Mathematics this fall.

Dan Fontaine graduated from University of Maryland Baltimore with a Master’s degree in Cellular and Molecular Biomedical Sciences. His current plans are to work in this field and perhaps consider a PhD in the future.

2017
Graduate

Entertainment

FRIDAY HAPPY HOURS

North Shore Happy Hours started back up beginning this month at our beach. Please come join your neighbors for an evening of fun and laughter! Happy hours will begin around 7:00 p.m. This is a very informal, BYOB and snacks (optional) gathering. We ask those who do attend to please clean up after themselves and take home any trash. Supervised children are also welcomed to attend.

SUMMER KICK-OFF & 3RD ANNUAL REGATTA RACE

Join us on **Saturday, June 17th** from **2-6 p.m.** as we celebrate **2017 NORTH SHORE SUMMER!** During the celebration, we will also host our 3rd Annual Regatta Race. So, mark your calendars, let your imagination reign supreme and start working on your Cardboard & Duct tape boats. **Burgers, Hot Dogs, Beer & Wine, Iced Tea & Lemonade plus Rita's Italian Ice** will be provided. Last year's winners were Adam Stopowski (Captain North Shore), Jeffrey Paul (Titanic Award) and Chris & Kyle Medvedeff (Best In Design).

4TH OF JULY PARADE

This year's parade will be held on a Tuesday. Residents will assemble at Glenn Nash Memorial Park by 9:45 a.m. Procession will promptly begin at 10:00 a.m. The Boy Scouts Color Guard will lead the procession, followed by The Lake Shore Fire Department, North Shore's 4th of July

banner, teams/ winners of our 3rd Annual Regatta Race, decorated golf carts, bikes and FANCY vehicles. The Parade will commence at Glenn Nash Memorial Park, proceeding West on Edgewater Road, then South on North Shore, followed by East on Valley Drive, and South on Dutchship Road going East on Edgewater Road concluding at The Beach.

*Residents can join the procession directly from their home as the parade passes or from **ANY** street in the community* Kindly asking residents to remove all vehicles from the street the evening before the parade.

PROGRAM:

Pledge of Allegiance, Boy Scouts, Troop 412 (tbd)

National Anthem, Kellie Wisthoff

Welcome & Brief Remarks, Ben Wisthoff, President of North Shore Association

Honoring of North Shore's U.S. Soldiers & Military Veterans, Adam Poyneer, USN Veteran

Water Clarity Test, Bob Douglas

Light Refreshments & drinks

Conclusion

**HELP
WANTED:**

Calling all seamstresses (and, non-seamstresses) to help fix our **North Shore 4th of July Banner**. Our banner is in need of repair. Little critters really enjoyed chewing on the material over the winter.

Please let me know if you can help fix and/or create a new one for our upcoming **4th of July Parade**.

3RD ANNUAL REGATTA RACE SATURDAY, JUNE 17TH

MATERIALS:

Cardboard, duct tape, packing tape, rope or string. Cardboard tubes are permitted, but cannot use wood or plastic to cap ends.

RULES:

Only the items listed above may be used to build boats. Cardboard tubes are permitted, but cannot have wood used to cap ends. No pre-treated or waxed cardboard is permitted.

1. Design is builder's choice. Make your boat look like anything you want – Let your imagination reign supreme!
2. Participants can build either single, double or multiple-person crafts.
3. Paint & decorate as desired.
4. No wrapping in tape; however, tape may be used to reinforce the bottom of boat. **Boats cannot be sealed with glue or sealants.**
5. You must provide your own oar and the paddles may only be used to propel the boat. Oars may be made of any material. Rafts or flat boats which use legs for propulsion are not allowed. Each participant must wear a PFD "Personal Flotation Device" at all times when in or on the water; otherwise the individual or team will be disqualified.
6. All boats must be built ahead of time and pass inspection prior to racing.
7. Individuals or team members in the boat must not be enclosed above the shoulders. A 1 person(s) must be visible at all times while the boat is in the water.
8. Team members who start the race must finish the race without leaving the interior of the boat.
9. If a team member exits the boat for any reason during the race, the team must remove the boat and any leftover cardboard debris from the water area and dispose of it at the designated trash area.
10. Teams are not allowed to sabotage anyone else's boat.
11. Judging will be based completely on the race and fastest time, most spectacular sinking and best design/theme.
12. Race begins at 4:00 pm.

AWARDS:

CAPTAIN OF NORTH SHORE | individual/team who completes the course in the fastest amount of time.

TITANIC AWARD | most spectacular sinking

DESIGN AWARD | best design and theme (including boat & crew)

Entries must be submitted no later than **Friday, June 9th**. Enter by contacting Tracy Poyneer @ tracy.poyneer@copt.com or 443.716.5387.

Treasurer's Report

April 2017

The April revenue was \$6,845 which included dues, marina donations, slip fees and keys for the marina ramp. The checking account for the marina fund had \$4,565 by the end of April. The expenses were moving the money to the marina fund (\$590) and the BGE bill for both sites, Clean-up deposits, Gotugo, mowing, and opportunity builders for a total of \$2,039. The balance at the end of April was \$25,341.

The CD start amount was \$28,384. The CD matured May 18 and was cashed in on May 22. The marina fund received \$20,000 and the general fund received \$8,424 to be used as a rainy-day fund.

Marion Glasby

Roads & Zoning

We received a request for approval of improvements from the following neighbors:

Evan Featherstone, 354 Dutchship Rd. He requested approval for a patio and tree removal. They did receive signatures from their adjoining neighbors.

Ms. Dolores Mercier requested information regarding a non-permanent structure. It will not have permanent footings. No permit is required. They do not need to submit this structure to the NS board for approval.

Deborah and Steven Cieri at 465 Edgewater Rd are extending their pier and adding a

boat lift. They did acquire proper county permits and notified their adjoining neighbors of this modification.

All Request were approved by the Board during the May 2nd meeting.

There has been additional discussion regarding trash and debris on North Shore Rd. We are contacting the local police to see if they have any suggestions on how to curb this offensive and unnecessary behavior.

Laurie Gardner

Marina

I wanted to thank everyone who showed up for clean-up day and helped out with cleanup at the marina. A lot of tree debris and brush was taken care of along with a lot of old ropes that were tied to the pilings that haven't been used in years.

A couple repairs the marina will be completed shortly to include replacement of a GFI, replacement of a photocell for the Eastside lights, replacement of a few deck boards on the pier, addition and replacement of any cleats on the Eastside bulkhead.

There have been a couple people who have showed concern with some other bulkhead issues on the east side.

I know a lot of people have made donations to the marina fund to help with the repairs and I want to thank them for that. The Marina helps with everybody's property value and I would like to stress that any future donations would be very helpful.

I would also like to stress that anyone parking on the bulkhead side please refrain from doing so. When vehicles park near the bulkhead on the left side of the driveway it puts extra stress against it. And if we can try to extend the life of the bulkhead as long as possible we should be able to maintain it.

I hope everyone has a safe and wonderful summer. And I would like to ask again if anybody would like to be part of the marina committee, please get in contact with me thank you.

David Klatt

Park

It was nice to see all the North Shore folks that turned out at the Greene Turtle. From the looks of it, the fundraiser should be a success. Plans to spruce up the park are in the works.

Lisa Stamper 443-618-2935

Friends of the Gardens

Don't forget to mark your calendar for the garden club sponsored luau on July 14th at 6pm. Please bring a dish to share, byob and luau related attire. We will be offering a "wild about North Shore" ceramic mug with a drink for purchase. All donated funds are used by the garden club for maintaining the gardens.

The next meeting will be held Tuesday, June 20th, at the home of Lisa Stamper, 405 Dobbins Lane, 7pm. We will go over the needs of the gardens and plan the luau.

Anyone interested in helping with the luau, please attend.

Lisa Stamper

Membership Report June 2017

Jeanne Brush, Membership

Our current membership stands at 147. We're still missing a few folks so check your desk pile for your renewal form. Or contact me and I would be happy to get you another one. We want to see you at the beach and your kids at the park.

A GREAT BIG THANK YOU goes to all the generous neighbors who have contributed to the Marina Fund!!!! To date almost \$5,000 has been donated.

These funds will be sequestered in a separate Marina Capital Improvement account which will be used for dredging and major bulkhead work. This will be a multi-stage project which will take time and money. It will also take major fund-raising efforts going forward.

If this was some other neighborhood we would be faced with simply watching our bulkhead collapse and the marina silt up and become unusable. But this is North Shore and if anyone can do it we can do it.

Again, on behalf of the Board and myself, thank you to:

Have Fun With Your Chainsaw Without Fear From the County

By: Jeanne Brush

There comes a time every summer when we gaze around our property and realize that some vegetation is in need of major whacking to keep stuff from littering patios, falling on roofs, scratching cars or improving a view. Most properties in North Shore fall within the Chesapeake Bay Critical Area and are subject to State laws and regulations pertaining to tree and other vegetation cutting or removal that are designed to protect our waterways from erosion.

Anne Arundel County adopted a set of regulations to conform to the law several years ago but there is still a good deal of confusion about what they are or how they are applied. Word-of-mouth information is often inaccurate and the County website has not made it easy to find the regulations.

The remainder of this article is a direct excerpt from the County's regulation on the subject. To see the entire document access www.aacounty.org and type "Notice to Arborists" in the search bar. That is where the regulations are hidden.

Anne Arundel County Critical Area Regulations and Information excerpt...

What is the Chesapeake Bay Critical Area?

The Chesapeake Bay Critical Area is the area that extends a minimum of 1,000 feet landward of tidal waters and tidal wetlands of the Bay and its tributaries. The Critical Area buffer extends a minimum of 100 feet from tidal waters, wetlands and tributary streams and is expanded by steep slopes, wetlands and highly erodible soils.

State and local Critical Area legislation was enacted for the protection of the Bay and its tributaries. These laws regulate all construction and development activities, ground disturbance, removal or cutting of existing vegetation, and the installation of new or expanded lot coverage (asphalt, concrete, paving blocks and stone used for driveways, sidewalks, parking pads, etc.)

Within the first 100 feet Buffer or Expanded Buffer approval is **not required** for the following activities:

Planting vegetation

Maintaining an existing lawn

Transplanting existing vegetation

Outside of the Buffer approval is **not required** for the following activities if they disturb less than 5,000 square feet and do not fall within areas containing steep slopes or wetlands:

Individual tree removal

Removal of woody vegetation

When is County approval required?

Within the 100 foot buffer or expanded buffer County approval is required for the following activities:

Clearing or grading, including cutting or pruning of existing vegetation

Disturbance of steep slopes

Construction, alteration or relocation of a structure or lot coverage

Installation of stormwater management system

Except for routine grass cutting and maintenance of existing garden and landscaped areas, removal of existing vegetation within the Critical Area buffer or expanded buffer is subject to prior approval through the Forestry Section of Inspections and Permits.

Call a County Forester at 410-222-7441 before you cut or trim trees in the buffer area to be sure you are in compliance.

Thank You Neighbor!

- Thank you to Ted & Jackie Tepper for delivering the May issue of ***The Barnacle***

North Shore Galley

Heirloom Tomato and Chicken Toss

TOTAL TIME

20 mins

YIELD

Serves 6 (serving size: 1 3/4 cups)

Serve this fresh summer salad with plenty of crusty bread to soak up the flavorful tomato juices.

Ingredients

4 tablespoons white wine vinegar
 3 tablespoons extra-virgin olive oil
 2 1/2 teaspoons granulated sugar
 1 1/2 teaspoons kosher salt
 1/2 teaspoon black pepper
 3 cups shredded cooked chicken
 2 pounds heirloom tomatoes, cut into 1/2- to 1-inch wedges
 1/2 cup thinly sliced red onion
 2 tablespoons chopped fresh basil
 2 tablespoons finely chopped fresh chives

2 tablespoons chopped fresh flat-leaf parsley leaves
 1 tablespoon chopped fresh thyme

How to Make It

- Whisk together vinegar, olive oil, sugar, salt, and pepper in a small bowl. Gently toss together chicken, tomatoes, onion, basil, chives, parsley, and thyme in a large bowl. Add vinegar mixture, and gently toss until thoroughly combined. Serve immediately, or cover and let stand at room temperature for up to 1 hour.

Please Write for *The Barnacle*

Any member of the community is invited to write an article for *The Barnacle*. Do you have a story to share? We want to hear it! Not sure what to write about? We have ideas! Please contact Amy Bartholomee at adbart65@me.com

Help Wanted

Amy Bartholomee will retire as Editor of *The Barnacle* as of the Annual Meeting in February of 2018. Her last issue will be the January 2018 issue.

We are looking for someone to take over this neighborhood position. Please contact Amy or any board member if you are interested in filling this very fun and rewarding position!
