

NORTH SHORE ASSOCIATION

2022

MEMBERSHIP RENEWAL

Our Annual Membership Renewal is now underway. We ask that you please continue to show your yearly support for the North Shore Association by sending in your Membership Renewal. The funds collected help to maintain and improve the Beach, Marina, Playground and Common Areas of North Shore. All funds will directly support the preservation and maintenance of these areas and support the many traditions that make North Shore a great place to live!

Kindly remember that the use of the Park, Beach, Pavilion, and Marina are amenities to be used by paid members and their guests. Membership Dues should be paid prior to use of any amenity and attendance of North Shore sponsored events.

There will be no prorating of North Shore Membership dues for new residents, as we are a voluntary community association.

We are counting on your generous support again this year. Please complete the form below and return along with a check/cash for your dues by **April 20, 2022** to:
